Dear Colleagues,

Departments of Neuroimaging and Interventional Radiology at National Institute of Mental Health & Neurosciences, Bengaluru and Post Graduate Institute of Medical Education & Research, Chandigarh are jointly organizing two national level intensive 3-day hands-on neuroimaging workshops titled “India Brain Connectivity Bootcamp (DTI 2020)” in collaboration with renowned diffusion MRI scientists from the National Institute of Mental Health (NIMH) and National Institute of Biomedical Imaging and Bioengineering (NIBIB), USA.

These “3-day hands-on” courses are intended to provide advanced training in diffusion brain MRI analysis methods for clinical post-graduate residents (Neuroimaging, Neurology, Psychiatry and Neurosurgery), Psychologists, Engineers, Technicians, PhD graduate students and post-doc fellows working in the field of mental health and neurosciences.

Registration is limited to 30 registrants at each course (limited to two participants from each institute). The course fee is 3000 INR and will include participation in the workshop, course materials (pendrive) and meals.

Dr. Rose Dawn Bharath,
Professor and HOD,
Dept of Neuroimaging and Interventional Radiology,
National Institute of Mental Health and Neurosciences,
Bengaluru, INDIA - 560029

Workshop Details:
Dates: 8-10th Feb 2020
Venue: NIMHANS, Bengaluru

Dates: 13-15th Feb 2020
Venue: PGIMER, Chandigarh:

Registration Details:
Register by clicking on (via Google forms)

Registration fees: Rs. 3000/- per person (Rs. Three thousand only per person)
Payment via NEFT/RTGS/Bank Transfer to the account given below.
Account Name: The Director, NIMHANS
